

DEAR STAR ACADEMY PARENTS,

Important Friendly Reminders:

At this time, we know there are many questions and concerns that you may have about what our school is doing since the COVID-19 crisis. As always Star Academy's main priority is the wellbeing of our families and staff. Our staff has been working diligently to maintain the cleanliness of our school. We are doing everything we can to minimize the spread of any communicable diseases.

We are asking our families to take a couple of precautions to help minimize the spread of any communicable diseases as well.

- Please wash your child's hands before entering any classroom. We will also have hand sanitizer at the front desk to be utilized.
- If your child shows any signs or symptoms of respiratory issues and/or fever, please keep him/her home. If the child is in our care and these signs or symptoms start to show, we will be calling immediately to pick him/her up.
- Child(ren) should remain home until the fever has been gone for 24 hours without medication and/or doctors clearance.

May Newsletter

2020

Spring into FUN!

- ❖ We will be starting water play outside! It will be a splash of fun, parents will be updated on what to bring.
- ❖ We are making an Alphabet Book, which entails all about spring!

Happy Birthday

To all the MAY babies!

Hope it's a great one!

HAPPY MOTHER'S DAY!

**Thank you for all that
you do!**
