

hello August

DEAR STAR ACADEMY PARENTS, Important Friendly Reminders:

As always Star Academy's main priority is the wellbeing of our families and staff. Our staff has been working diligently to maintain the cleanliness of our school. We are doing everything we can to minimize the spread of any communicable diseases.

Due to COVID-19 there are some regulations we all have to follow.

- All employees, guardians, and visitors **MUST** wear a mask at all times.
- We will ensure that each child and adult going past the office is screened by temperature (per the CDC, 100 degrees F is a fever) and if a child or adult has a fever, they will not be allowed in our facility.
- All bedding must be brought home and washed daily.
- All toys, playground equipment, and common surfaces will be disinfected and sanitized after every use.

If you have any questions or concerns please reach out to management.

Thank you,
